

Busy Bees Field Trip To

CONSERVATION & EDUCATION

OAKLAND ZOO

School is almost over and we are planning our summer program which will include an exciting trip to the zoo that I hope each child will enjoy! This field trip does not yet have a date but a calendar of events will be coming out soon.

During this trip we will be viewing the animals, eating lunch, and visiting the new Adventure Land.

This is a full day field trip and children will need to be at Busy Bees by 8am with the items listed below. I want this to be a fun and educational experience for the children, so we will plan to stay until 4pm which is a very long day. We may leave sooner depending on children's physical and emotional needs. This will provide us the most flexibility and time to visit all the zoo has to offer and stay in areas of interest for longer periods of time. All children will be back at the Busy Bees facility no later than 6pm but should arrive before.

**Children need to bring the following on the day of the trip:**

- \$15.00 field trip fee (due prior to trip date)
- Bagged lunch
- Water bottle
- Jacket, hat, sunglasses, etc.
- Wear sunscreen, comfortable clothing, tennis shoes (no open toe)
- Devices if desired (kindles, iPhones, hand-held gaming systems. (at your own risk)

\*If you have paid for the *Summer Program Registration Fee* then this trip has already been included and you owe nothing.
